## MANY CANDIDATES TAKE ADVANTAGE OF BIG OFFER

Thursday the Biggest Day the Contest Has Seen So Far—Increase of Energy, Enthusiasm and Interest Phenomenal.

### DO NOT OVERLOOK THE CONTEST MATHEMATICS IN THIS ISSUE

#### REMINGTON PLAYER PIANOS ON DISPLAY AT THAYER PIANO CO.

The Big Special Offer, which has cards, circular letters, and the telephone. Many other plans are also being made. Practically every candidate is using them effectively, and the hustling shared in the distribution of extra votes and the energy and enthusiasm that is being determined to come out ahead is the one who is going to win. This offer is gratifying to the management and proves two things: first, that they fully appreciate the value and extreme desirability of the many handsome prizes to be awarded; and second, that they are not a whit behind their fathers and brothers when their minds are once made up to accomplish things. Special ballots for the extra votes due contestants on new subscriptions turned in during this offer will be mailed to them tomorrow, or just as soon as the work of checking up each candidate's crediting on the offer is completed. So if your special ballot does not reach you in the time you expect it, allow a day or so additional before writing in about it. This work takes much time and we desire to check everything carefully so that each candidate may receive her proper credit.

"Remington" Player-Pianos on Display at Thayer Piano Co.

The \$50 "Remington" Player-Pianos which will be awarded as first prizes in each district are now on display at the Thayer Piano Co., on Hotel street, and are already attracting considerable attention from candidates and their friends because of their beauty and appearance. All those who have viewed these elegant instruments have expressed their approval in unmeasured terms of the Bulletin's selection of these instruments as awards.

**Capital Prize Auto at H. E. Hendrick's**  
The Capital Prize "Regal" 1912 automobile, completely equipped, which will be awarded to the young woman standing highest at the conclusion of the contest, is on display at H. E. Hendrick's garage, on Alakea street, and has already been viewed by numbers of candidates. This car is a handsome and perfect one, and those who have viewed have not only expressed their extreme pleasure at the prospect of winning such splendid car, but have also made up their minds much more firmly to work every minute of the time remaining in order that they may be the ones to win the "Regal" automobile.

**Interest in the Contest Still Growing.**  
That the interest in the Bulletin's Big Popularity Campaign is growing every day is next shown by the great amount of mail received each day by the Contest Manager. Yesterday was another large day in the issuing of votes, eclipsing any previous day of the contest, and we have every assurance that this will be one of the busiest weeks of the campaign.

The well-laid plans and the energetic campaigns of the candidates are bearing fruit, and the vote cast is an indication that all can do as well. In every community there is a golden opportunity for some energetic young woman to enter the contest, and with enthusiasm and vim interest her friends in the campaign and win the honor of being awarded a valuable prize. There are many ways in which not to overlook any chance of winning a candidate can assure the aid of it. Call and visit for yourself and friends, principal of which is by personal calls upon them. The leaders, be yours, it will be because you lack in the campaign for votes have many appreciations of the big things of life, of their friends adding and assisting them in many ways. Each person has a circle of friends who are always willing to render any aid, and by enlisting the cooperation of a large number of friends the sphere of influence of the candidate is increased and this is what gives a candidate a backing that can be depended upon for votes.

Although the personal call is found the most productive of results by candidates, where it is impossible to visit the people whose aid you are eager to secure, the telephone—all and personal call is found effective by many.

Especially throughout the outside districts candidates are using postal buying or selling votes. This is an

## CONTEST MATHEMATICS.

### JUST THINK:

Two NEW twelve-month daily subscriptions bring you 50,000 votes.

Five NEW twelve-month daily subscriptions bring you 125,000 votes.

One NEW five-year daily subscription brings you 225,000 votes.

Five NEW daily six-month subscriptions bring you 50,000 votes.

One NEW twelve-month weekly subscription brings you 1500 votes.

Every cent paid for subscriptions, either weekly or daily, secures an equal amount of votes. A three months' daily subscription, \$2.00, brings 3000 votes. A similar subscription, \$2, for a two-year new weekly brings 3000 votes. In this way the outside candidate is on a par with the city candidate and all are competing under equal conditions.

By bringing your pencil into play you can always figure just where you stand and just how many subscriptions it is going to take to place you in the top position.

The absolute rule of the contest and will be strictly adhered to. **THIS RULE IS MADE FOR THE PROTECTION OF EVERY CANDIDATE AND TO MAKE SURE THAT THE PRIZES GO TO WHOM THEY BELONG—TO THOSE WHO WORK FOR THEM!**

**Future Subscriptions.**

Future subscriptions are things that should not be overlooked. In many cases candidates will meet persons who are already taking a daily paper which is paid up in advance, and do not desire to have two daily papers coming into their homes at the same time. To provide for all such subscriptions and to enable candidates to reap every benefit from their work, we have arranged to accept and hold all such subscriptions, when accompanied by the amount of the subscription, for delivery at any future date designated by the subscriber.

\*\*\*\*\*

One feature of this contest which has appealed strongly to everyone is that votes cannot be bought, sold or traded. The votes are absolutely free and are issued on all subscription payments, but after once issued in favor of a candidate they cannot be voted for any other candidate. Should any case arise where such a thing is attempted the ballots in question will be immediately voided. A record is kept of each ballot issued and the number voted, and these will be immediately voided where it is found that any contestant has been guilty of buying or selling votes. This is an
